My dear brothers and sisters in Christ,

I pray that your Lent is off to a blessed start. I know some were traveling this past week. A common theme I have learned for those who do not celebrate Mardi Gras is either to head out west to go skiing or to head to Disney World. Some of my friends said that half of Louisiana was at Disney World this past week. However your week went, I pray that this will be a blessed Lenten season for you.

For those who attended Mass on Ash Wednesday a special bulletin was handed out that had a weekly schedule for the Lenten season. I have posted that bulletin on our website. I am also uploading the schedule to a special webpage. I hope you are able to join us for the many different events and Masses going on.

We had a fantastic start to our *Altaration* program on Thursday night. We received a lot of great feedback on the program. It is not too late to join into this wonderful program that explores the mystery of the Mass. For those who missed the first session there is a way to get caught up with watching the videos online. Please contact our DRE, Angelle Blanchard, for more information. If you are interested in attending the program, we ask you to contact the office to register. Remember there is **no cost** to the program. If you have kids we are also providing childcare. I hope to see you this Thursday night!

On Fridays, there is a great custom to pray the Way of the Cross. There are two opportunities to do this with the parish community. The first opportunity is after the 7:40am Mass with the school. The second opportunity is at 6:00pm the same evening at St. Elizabeth. I recognize that this might be the best times for everyone. Here is a third option. Both St. Elizabeth and St. Jules are regularly open during the day, and therefore the Way of the Cross booklets will be available in the back of the Church to use any time. Please feel free to come to the Churches to pray anytime on Fridays. This might be a better option for those who might not be able to get out regularly or want more time to pray the stations.

Finally, we will be having a special Saturday morning Mass on March 25th to celebrate the Annunciation of Mary. I will have more details on time and location in next week's bulletin. Please spread the word about this.

Through the Alliance of the Two Hearts,
Fr. Matthew

A common feature of our weekly bulletin is our Prayer List. As we begin a new year, we would like to restart our prayer list. Please call the office or email office@sesjchurch.com with your request to add names to the list or to remove them in the future. We are beginning a new policy to remove the names on the list for 2 months. Also, please let us know if you have had a prayer request answered.

CRS RICE BOWL

Join your parish family and Catholics across the country in making a life-changing journey this Lent with CRS Rice Bowl. Through Catholic Relief Services and Catholic Charities of the Diocese of Baton Rouge, your Rice Bowl participation serves the most vulnerable globally and in this community, where 25% of your donation funds local programs. Rice Bowls are available in the back of church. Please be sure to take one home and use the easy and fun resources to more closely encounter Jesus and deepen your Lenten experience. Remember, your sacrifices change lives.

If anyone is homebound and would like to have an Extraordinary Minister of Holy Communion bring them Communion, please call the Parish Office. We are not always aware when a parishioner has become ill and is homebound. It is very helpful when we are notified of this need.

What is "right" and "wrong"? Is what's right for you right for me? Is there a right and wrong for everyone, all the time?

These are difficult questions to discuss in our culture. We live in a society that supports the opinion that each person should make up his or her own morality—that there is no moral truth that applies to everyone. Many of us have been affected by the relativistic outlook that pervades the modern world. Maybe some of us wonder whether there really is an absolute right and wrong for everyone. Or maybe we accept that there is a moral standard for all, but we don't know how to explain our moral convictions in a convincing way. Maybe some of us are afraid of saying something is immoral because we're afraid of offending others or of being labeled intolerant. How do we talk about morality in a relativistic world?

In this small group study program featuring Edward Sri, we'll explore the classical view of morality and find that it's not merely a set of guiding principles for theoretical situations—it is an entire way of life.
