Dear Family,

Happy Allons Manger weekend! I am *very, very grateful* for so many people who continue to support our parishes in so many different ways. The hard work that has gone into the food preparation, festival set up, pie baking, auction prep, sign making, bank prep, donations, meal and raffle ticket sales, etc. is really amazing. People love our parishes and desire to support our mission. Make sure to keep the prayers coming that our festival is successful and that we will be given the grace to use the resources that the Lord provides us as He desires us to do so. **As always ask the Lord to prepare your heart to be a witness to the love and mercy of Christ for one person who needs to hear it again at the festival. Pray that the Lord will prepare their heart to be open to Him and that you will be open to speaking about Him to them. Jesus chooses to have no other hands but ours these days, therefore let us lend them to Him at every moment of our lives! He does all the hard work, we just need to show up.** Cool thing is that we get to do it while we are throwing a big bayou party. Have fun! Again, **THANK YOU to everyone who has helped make our festival a great success. And...don't forget to come to our other party next Sunday, April 17th – St. Elizabeth School Fair. The SES Festival is a great way to support the mission of keeping Catholic education in Assumption Parish alive.**

Wow! **Divine Mercy Sunday was really incredible.** Really incredible. We had a great turnout, which included about 25 students from Christ the King on LSU's campus. They had heard about the Mass and didn't want to miss out on the grace filled celebration. A number of parishioners commented on how nice it was to have them present with us. The music was particularly beautiful with the flute and cello joining in with our regular crew. People who had never come to the Monday night Divine Mercy Novena commented on *how beautiful the sung chaplet was*. I didn't realize how many people were there until everyone started singing the Chaplet, because I was hearing confessions. I'm guessing our Monday night Divine Mercy Novena crowd will continue to grow in the years to come. Fr. Paul and I also heard a combined almost **3.5 hours** of Confessions before Mass, and that was moving at a pace a little quicker than normal because of the length of the line. *That's a lot of mercy!!!* My heart is still full from the Mass. If you haven't watched the **first video of the Divine Mercy** series on www.formed.org make sure to catch it this week. The 10 video series began last Sunday with a new video released each Sunday, but each video is only available for 2 weeks. Check the bulletin insert for the schedule of the videos. The first one is around 17 minutes long. If you would like to listen to the homily from that Mass it is on our website www.sesjchurch.com under the homilies link.

Make sure to come out to **Dr. Susan Caldwell's talk on Life and Love: NFP and Contraception this Thursday, April 14th, at 6:30pm at St. Elizabeth Community Center.** She will be speaking on the Church's life-giving teaching of the human and sexuality from both a theological, but also medical perspective. There is sooooo much confusion and misunderstanding on the Church's teaching in this area. Dr. Caldwell is a great speaker and very, very knowledgeable. She will speak from her personal experience and conversion. I would like to particularly *(continued)*

THIRD SUNDAY OF EASTER - APRIL 10, 2016

(continued) invite parents and grandparents who have children who are taking birth control for other medical reasons. A side effect of taking oral contraception is that it increases the risk of cancer, especially in women who take them before having their first child. Dr. Caldwell will speak about other healthy means of dealing with these same issues. She will also talk about infertility and the great gift of NaPro technology in helping couples achieve pregnancy. There will also be couples from our community present to give a witness as to how NFP has benefited their marriages. See the bulletin insert for details.

FILL A PRESCRIPTION FOR THE NEEDY

You can make a difference in someone's life by filling a prescription for the needy. Simply pick up an empty prescription container from the back of church, place your gift inside, and return it to the collection container in back of church or place it in the offertory collection. These collections will be picked up the weekend of April 24.

The St. Vincent de Paul Community Pharmacy is a beacon of hope that our Church provides to those in need of life-sustaining medical prescriptions. This dynamic and innovative program had a successful year in 2015, but there are still so many people who need this critical service. Last year, thanks to the support of your parish and of people throughout our Diocese, over 31,000 prescriptions valued at approximately 3.2 million were filled for people in desperate need of prescription medications. Those served cannot afford their life-sustaining medications, but you can help. You can provide critically needed medications for someone who has nowhere else to turn.
