Dear Parishioners,

Happy Mother's Day to all of our mothers! I really love Mother's and Father's Day. It is one of the great things that our country does to be intentional about reminding us of the gift and grace of parents. God is the ultimate Creator of life, but mothers and fathers are co-creators with Him in the formation of every single human person. Parents' jobs' do not stop at conception, but the vocation of a mother and father is truly a *LIFELONG* vocation. God entrusts an immortal soul to the care of its parents for the purpose of the parents forming that child to become a saint. To be a saint is what we are all created for and it is the ***primary duty of the parents to cultivate the seed of life, both natural and supernatural, that God gives to the child.*** Mothers should never, ever, ever, ever, ever...ever feel that their vocation to raise, form, and educate their children is some sort of "second class" job, or that they are "wasting" their potential. That is a wonderful lie from the evil one! There is **NO GREATER GIFT** that a parent can give to their children than to form their minds, hearts, souls, and bodies to give an ever deeper "yes" to Christ. No amount of vacations, toys, or worldly goods can ever substitute for the tangible love of a parent. **Moms, the work you do is PRICELESS – may your rewards be great on earth and in heaven! Happy Mother's Day!**

Pentecost is next Sunday. Hopefully you have been praying the **Novena for the Seven Gifts of the Holy Spirit** since Friday. If not, you can go on our website www.sesjchurch.com and start today. We are praying with the rest of the Church for **a renewal of the grace of Pentecost – a deep outpouring of the Holy Spirit that transforms our lives into those of missionary disciples.** Jesus told His Apostles to gather with His Mother in the Upper Room and to wait for the Holy Spirit to come. The Holy Spirit is the Third Person of the Blessed Trinity who is truly the *life of our souls*. When we are baptized the Holy Spirit enters into our souls to reside with us and begin the process of sanctifying us more and more into Christ. *It is the Holy Spirit that empowers us to have faith, to recognize Jesus as the Christ, and profess Him as Lord. It is the Holy Spirit that animates our souls and transforms our prayer life into a deep encounter with the Risen Christ, so that we **know** that we know Him. The Holy Spirit is the one who opens up the Scriptures in a way that makes us feel as though they were written just for us. It is He who gives us our **unique charisms** (spiritual gifts) that empower us to be the presence/mercy/healing of Jesus in an absolutely unique way.*

Every year we have had a night of Adoration in the sisters' convent chapel waiting and praying for the Holy Spirit to come. This year we are "going a little bigger" and moving it into St. Elizabeth Church. **At 6pm next Saturday, May 14th, we will expose the Blessed Sacrament for Adoration. From 7-9:30pm we will have beautiful praise music, some prayers, and a few "words from our pastor," Confessions will be offered from 6:30-9:30pm, and we will close the night with reposition of the Blessed Sacrament at midnight.** We are one of hundreds of vigil sites in the US (and around the world) who are doing the same thing; **praying for a new outpouring of the Holy Spirit upon the entire world.** As we pray the novena and participate in the vigil, I would ask that you also offer some fasting (continued)

SEVENTH SUNDAY OF EASTER

ASCENSION OF THE LORD - MAY 8, 2016

(continued)for this intention. Prayer and fasting together are a powerful spiritual tool. Go to www.thevigilproject.com to learn more about why we are praying and what you can to do prepare.

Congratulations to all of our graduates!! You make us proud.

In the Hearts of Jesus and Mary, Fr. Andrew
